New intermodal connection Rotterdam – CZ,SK,HU (PL,A,D)

Dear customers,

METRANS brings you another new service. From 13th April 2010 we start new regular shuttle train connection between Rotterdam – Prague with connection on METRANS existing network.

- **Fixed regular 3 weekly trains in both directions HUB Prague** – Rotterdam RSC + ECT + EUROMAX for Bohemia and Austria
- with connection on daily shuttle trains from Prague to Dunajska Streda and v.v. for Hungary and Southern Slovakia
- with connection on daily shuttle trains from Prague to Zlin and v.v. for Moravia and Northern Slovakia
- with connection on daily shuttle trains from Prague to Pilsen for Western Bohemia and Bavaria.

We can offer to you in comparison with existing intermodal projects following advantages:

- neutral service
- reliable service with garanted 3 fixed regular departures per week
- cheapest rates

Please, don't hesitate to contact us for more information. We are ready to meet you.
We believe that our conditions will be satisfying for you.
